

# **PTS Centralised Booking Service**

From October 2009 patients will not be able to book transport from this practice. Please call:

G4S Call Centre On

01306 734329

*Do you have a medical condition that means you cannot use a bus/ community transport/ taxi to get to healthcare appointments ?*

Patients should expect the following from the service:

- A short phone eligibility questionnaire to judge what scheme of transport is most appropriate
- To be asked details about the journey you would like to book
- To be given advice alternative services if PTS is not appropriate
